Minutes

- It is decided that Mr Jeffrey Witte is elected as Chair until the President is elected
- Mr Daouda Sagna volunteer to keep the minutes and the person who counts the votes.

The Agenda that has been circulated by Mr Floor Lieshout is adopted.

Here follows a discussion and adoption of the by-laws. In separate communication drafted by Mr Christian Thomas read by Mr Witte, Mr Christian Thomas explains the rationale behind the main points of the By-laws. The Swizz Civil Code main stand is that the associations are owed by the members, and therefore the General Assembly is the highest Authority. Mission and goals are clearly outlined in the by laws and as long as the board of Directors and future managing staff take actions that are in line with the mission of the Alliance, its doesn’t need separate approval from the general Assembly

There follows a presentation of all candidates for the Board of Directors. The candidates read their presentation aloud (is attached).

- Rochelle Sobel
- Jeffrey Witte
- Floor Lieshout
- Daouda Sagna
- Moira Lail
- Manuel Ramos

There follows a discussion of setting the rules for the election of the Board.

- Type of affiliation to a region – it is agreed that ideally regions should be represented, and in composition and succession planning the board should be mindful of obtaining a regional balance
- Types of NGOs – The Alliance work in prevention, communication, scientific research, victim-support post-crash care and advocacy. NGOs working in these areas should be represented on the Board
- The By lays state that a min of 5 members. A 5-7 member board is found ideal

It is noted that all the decisions are reflected in the by-laws.
