

Dear Alliance Member:

It is our pleasure to invite your participation in the Fourth Global Meeting of Non-Governmental Organizations Advocating for Road Safety and Road Victims to be held on 13 and 14 March 2015 at the Ryad Mogador Agdal Hotel in Marrakech, Morocco. The Fourth Global Meeting is kindly sponsored by the National Committee for Prevention of Road Accidents (Morocco), Global Road Safety Facility, World Bank and FedEx.

The objectives of this meeting are to encourage and facilitate members' involvement in important road safety key events, such as the Third UN Road Safety Week in May 2015, and to prepare our members for the Second High-Level Conference in Brazil in November 2015. The Alliance will bring together global members as well as dignitaries and distinguished guests from the field of road safety and public health. We will inspire you through panel discussions and presentations on topics of interest, and provide ample opportunities for networking and learning from NGOs around the world. The draft agenda can be found [here](#).

Practical information – please read carefully:

The Global Meeting will take place in English; translations in Spanish, French, and Arabic will be provided. The Alliance has grants available for Alliance members that cover:

- One sponsored representative per member NGO.
- Three hotel nights covered at the meeting [venue](#) gala dinner, breakfast, lunches, airport transfers, and more.

Priority for grants will be given to Alliance members who apply before 28 January 2015. Once participation is registered, members will make their own travel arrangements, and the grant will be wired upon documentation of air-ticket purchase.
