Your impact

Alliance is actively using member survey results to improve what we do and serve our diverse members more effectively:

• Strengthen Alliance Secretariat with expanded expertise to meet the growing needs & roles of NGOs in road safety.

• Strengthen member consultations in developing Alliance activities e.g. *Regional consultation meetings & workshops leading up to Global Meeting*

• Strengthen member data collection & use to more effectively tailor Alliance activities to member needs e.g. *Global Meeting registration data, Incubator, Regional Chapters*
Your impact

- Strengthen regional tailoring & coordination through regional Chapters 
  e.g. Latin America Chapter launch, LEARN

- Strengthen advocacy, evidence driven actions, & accountability to bring results in road safety 
  e.g. Call to Action, Budapest Declaration, #CommitToAct, 30km/h research project

- Promote NGO roles in road safety & enabling environment for NGOs to help maximize their impact on road safety 
  e.g. Meaningful NGO Participation Guide & capacity building; Journal of Road Safety publication; Enabling Environment research project

- 2022 Global Meeting for global networking & keeping the momentum to drive actions for the new Decade with unity
